Title: Irrigation Technician

Purpose: Maintain irrigation systems while working independently per the direction of the Irrigation Division Lead.

Duties Include:

- Spring system startup, inspection, and repair.
- System inspection and repairs during the season.
- Winterization of systems in fall.
- Maintain the company's professional image while performing job duties.
- Exhibit the company's core values toward employees and clients.

Other Duties:

- Perform landscape maintenance duties with other crews in spring and fall.
- Perform snow removal duties in winter as directed by Operations Manager.
- Perform Shop Duties in winter as needed.

Position Requirements:

- The ability to think mechanically and use fine motor skills.
- Valid Driver's License.
- Ability to work independently, use strong time management skills, and the ability to communicate effectively.
- Ability to lift 50 pounds.
- Ability to work on feet all day.
- Must possess the willingness to drive a company truck and the ability to complete driver qualification (Pass a DOT physical with a clean drug test).

Salary:

\$18.00 - \$25.00 per hour depending on experience.

This position includes guaranteed year-round hours and is a benefit-eligible position.
