Position: Landscape Enhancements Crew Technician

As an employee of **Horticulture Services**, you'll learn that our core values are the central to the identity of our company. Courtesy, Promptness, and Attention to Detail are what makes us stand out from the competition and are a big part of why we are a leader in the Landscape Maintenance Industry, and have been for over 30 years! We strive to create a work environment where everyone is heard, regardless how long you've worked here: this creates a culture of belonging which contributes to why our average length of employment is over 7 years. Inspired by our core value, "we are teachers and learners," we help one another grow & learn which develops skills that we can all use, not only in the workplace but throughout our lives. Whether you are new to the industry or just need a "change of scenery," come and show us what you've got, maybe we'll all learn something new.
