Lawn Mowing Crew Technician

As an employee of **Horticulture Services**, you'll learn that our core values are the central to the identity of our company. Courtesy, Promptness, and Attention to Detail are what makes us stand out from the competition and are a big part of why we are a leader in the Landscape Maintenance Industry, and have been for over 30 years! We strive to create a work environment where everyone is heard, regardless how long you've worked here: this creates a culture of belonging which contributes to why our average length of employment is over 7 years. Inspired by our our core value, "we are teachers and learners," we help one another grow & learn which develops skills that we can all use, not only in the workplace but throughout our lives. Whether you are new to the industry or just need a "change of scenery," come and show us what you've got, maybe we'll all learn something new.

Need some specific details?

- Pay starts at **\$18.00 per hour**, higher pay rate may be available if you have relevant experience. **\$1/hr.** increase after 90 days and positive review.
- There is a **\$2,000 bonus** for drivers as well as a **weekly driver bonus** for qualified individuals
- We work **Monday-Friday starting at 7:30am** (length of day varies based on the weather & job)
- The typical workweek is 50+ hours, with overtime for hours worked over 40 hours per week.
- There is a potential for weekend / holiday work during poor weather.
- **You don't need any experience**, you just need to be willing to learn.

Responsibilities include, but not limited to:

- Mowing lawns
- Operating a backpack blower
- Operating a weed whip
- Help your Crew Leader complete the assigned tasks for the day
- A willingness to fill in wherever needed as roles change seasonally

Requirements include, but not limited to:

- Reliable transportation to and from work
- Ability to actively work on feet for the entire day
- Ability to remain positive & professional, even at the end of a long day
- Availability that allows working long days during peak season
- To be qualified to drive, you must have a valid driver's license as well as willingness to complete driver qualification (Pass a DOT physical with a clean drug test).
